Colorado COPD Connection presents their 7th annual conference for COPD patients and their families. Our goal this year is to bring support, education, resources, service and hope to individuals living and coping with the challenges of lung disease.

We invite you to join us in displaying the services offered by your company as an exhibitor at the event. We are expecting between 150-200 participants, including patients, caretakers and professionals.

The exhibit fee is \$295 for a standard booth. The exhibit fee includes lunch for one individual; additional exhibit personnel may purchase a lunch for \$25.00 each. Please fill out the form below and send ASAP as vendor space is limited and premier tables are given to early registrants.

We encourage each vendor to bring a small door prize that will be awarded during the lunch hour. Vendors must be set up by 8:30am.
